

Sea Creatures

Come along, come with me,
Take a dive in the deep blue sea.
Put on your gear, let's explore
All the way to the ocean floor!

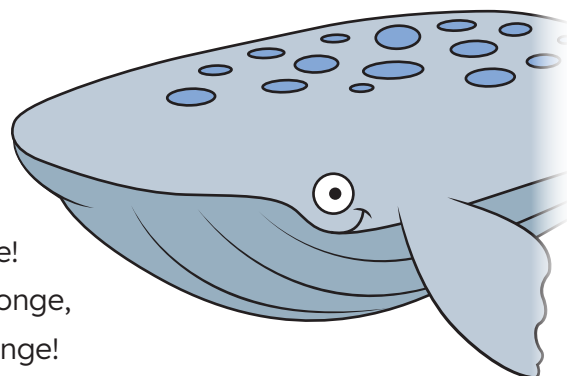

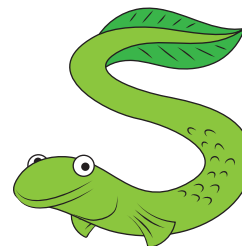

See that snail wrapped in curls?
Look! An oyster wearing pearls!
Watch the octopus oh so dark,
But don't you dare to pet the shark!

Dive on down, seaward bound,
Motion in the ocean is all around!
Dive on down, seaward bound,
Motion in the ocean is all around!

Now we're very far below,
The lantern fish are all aglow.
Is that a tiny shock you feel?
You just met an electric eel!

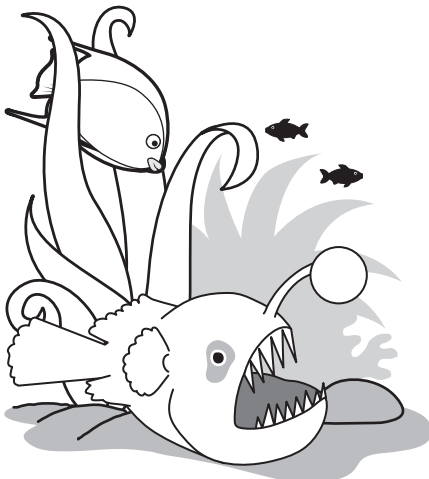

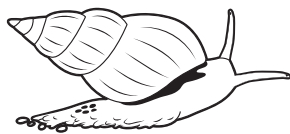

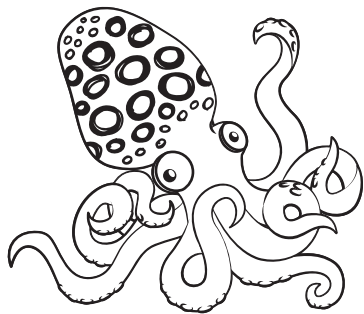

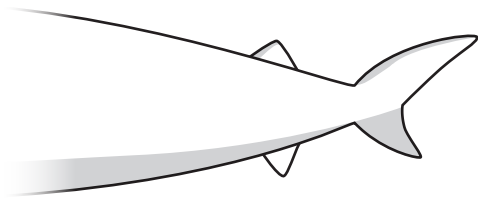

Giant blue whales start to stir,
Bigger than dinosaurs ever were!
Wave goodbye to the squid and sponge,
This is the end of our deep-sea plunge!

3. Which of these creatures would you like to know more about? Research three interesting facts about your chosen creature.
4. Reading this poem creates a very clear picture in our minds. Using the details from the poem, create an underwater drawing.
5. Working with a partner, create an extra verse to add into the poem. Think of some other things that might be seen in your deep ocean dive.
