Stop Bullies!

Many people are bullied. This is very sad. It is not a good thing.

Bullies make people unhappy. They are mean and hurtful. They like being mean. It is not an accident. They hurt people over and over again.

Bullies hurt people on the outside. They kick them. They punch them. They pinch them. They trip them. They push them over. They throw things at them.

Bullies hurt people on the inside. They call them names. They say nasty things about them. They leave them out of games. They ignore them. They make fun of them.

Bullies use mobile phones to bully. They use the internet. They post nasty things. This is called cyberbullying.

Others can help stop bullying. Teachers can. Parents can. Friends can. But they can't help unless they know about it. Stop bullies! Tell someone about it!
